Happy Summer!

We are looking to update our bylaws to allow for some flexibility in regards to:

- Allowing Board members to vote electronically (via email or website) as necessary;
- Allowing for the Board nominating and election process to also occur online; and
- Determining an appropriate length for the Board nominating and election process

Would you willing to share a couple of sections of your bylaws with us so we could review some appropriate language on these subjects please? Thanks, Marquita

Many of the programs that we operate engage in a mystery shopper program to provide some outside objective feedback.

I wonder if anyone has any insights to share on how (or if) they evaluate the effectiveness of their ambassadors, or other safety programs. Do you have any objective metrics? Surveys? Anything?

Thanks for any thoughts.
